# Thank you for your consideration!

BioNTX is the bioscience and healthcare innovation trade organization in North Texas, an affiliate of the Biotechnology Innovation Organization (BIO) in Washington, DC. We are the bridge between businesses and job opportunities, providing direct cost savings services, networking events, and educational programming to the bioscience and healthcare innovation community in North Texas.

We work to build a strong bioscience and healthcare innovation community through collaborative peer to peer networking events, educational programming, supporting companies with a purchasing consortium and by being the voice and champion for the North Texas biosciences and healthcare innovation community.
