

BioNTX Celebrates International Women's Day! Highlighting Women Driving Innovation North Texas

(left to right) Gabby Everett, PhD, BioLabs Pegasus Park, Darlene Boudreaux, MBA, CPA, Cx Precision Medicine, Inc., Kristen Doyle, JD, CPRIT and Komel Grover, MBA, Swiss American CDMO

The theme of International Women's Day this year invites us to be bold and create a more equitable world. We have more work to do, and we can all participate.

BioNTX celebrated International Women's Day with the 2nd Annual Women Driving Innovation program held at Pegasus Park, honoring women who have shaped and impacted the life science community in North Texas.

Thank you all for joining us!

Speaking of NTX Women Leaders! Dr. Sylvia Trent-Adams is Inaugurated President of UNTHSC Fort Worth

hsc  THE UNIVERSITY of NORTH TEXAS
HEALTH SCIENCE CENTER at FORT WORTH

Dr. Sylvia Trent-Adams receiving the mace from Chancellor of UNT System, Dr. Michael Williams

Dr. Sylvia Trent-Adams is inaugurated as the 7th President of University of North Texas Health Science Center. Dr. Trent-Adams is the first African American women to lead a Texas Health Science Center.

Since becoming president, Dr. Trent-Adams has already set in motion her ambitious agenda to bolster campus research, fundraising and enrollment, in addition to raising the

Congratulations Dr. Sylvia Trent-Adams!

UT Dallas Continues to Shine with Three New Baxter Award Winners

THE UNIVERSITY
OF TEXAS AT DALLAS

(from left to right) Sasya Madhurantakam, PhD,
Ivneet Banga and Qi Cai, PhD

Congratulations to three University of Texas at Dallas researchers! These women are developing innovative ways to help save lives and have received Baxter Young Investigator Awards for their work.

Medical technology company Baxter International Inc. named 17 winners of the award. UT Dallas was the only institution with more than two awardees.

Transform the Future of Health with ARPA-H

ARPA-H accelerates better health outcomes for everyone by supporting the development of high-impact solutions to society's most challenging health problems.

ARPA-H is looking for a Program Manager who will champion a core idea to improve health, frames the challenge, and awards projects to new multidisciplinary teams, with measurement and evaluation conducted throughout the process to ensure the best

solutions advance. Program Managers coach program performers through obstacles and efficiently define and recognize progress, success, and failure.

Apply now

ARPA-H Overview

Upcoming Events & Opportunities in North Texas

2023 MCBIOS *MCBIOS*

Join MCBIOS to listen to engaging keynote speakers, plenary speakers, and attend workshops on AWS Sagemaker, Bioinformatics tools for education and career development for trainees.

March 15 - 17, 2023

[Learn more here](#)

HSC Preclinical Imaging Symposium *UNTHSC*

Join UNTHSC to learn how preclinical imaging tools facilitate cutting-edge research in neurodegenerative disease, cardiovascular disease and cancer, and hear talks from experts in the field of preclinical imaging.

March 17, 2023

[Learn more here](#)

WISH Network Series *Health Wildcatters*

Join Health Wildcatters at their Women In Science and Healthcare Kick-Off where they continue to gather, meet like-minded individuals, and learn more about the WISH network.

March 20, 2023

[Learn more here](#)

How North Texas Became a Biotech Hub *D Magazine*

Join D Magazine to hear from a group of entrepreneurs, managers, and funders in the life science space share their first-hand experience and expertise.

March 21, 2023

[Learn more here](#)

University Health Discussion *Healthcare Think Tank*

Join Healthcare Think Tank to learn how technology changed the way healthcare is delivered and how artificial intelligence plays a role.

March 22, 2023

Achieving Organizational Growth *Taylor Strategy Partners*

Join Taylor Strategy Partners to learn proven practices to attract and retain top talent. They will highlight the importance of hiring right based on traits and culture fit, not just on resume and experience.
